2. SCOPE OF THIS AGREEMENT

2.1 Your Gift Card is an electronic money prepaid Gift Card. This is not a credit, charge or debit card and no interest will accrue on the Available Balance on the Gift Card.

2.2 Your Gift Card has been issued by PrePay Technologies Limited pursuant to a licence from Mastercard International Incorporated. The e-money associated with this Gift Card is provided to you by us, and will be denominated in pounds sterling. PrePay Technologies Limited is authorised and regulated by the Financial Conduct Authority (FRN 900010) for the issuance of e-money. Your rights and obligations relating to the use of this Gift Card are set out in this Agreement, which is between you and us. You have no rights against Mastercard International Incorporated or their respective affiliates. If you experience any difficulties in using the Gift Card you should contact Customer Services.

2.3 You agree that we may communicate with you by e-mail and/or SMS for issuing any notices or information about your Gift Card and therefore it is important that you ensure that you register your Gift Card and keep your e-mail address and mobile phone number updated via Myaccount.

2.4 If you wish to make use of services provided by an Authorised Account Information Service Provider on your Account, you may do so provided that you have signed up to use Myaccount and your Account is active. We advise that before using an Authorised Third Party Provider, you ensure that the Authorised Third Party Provider is authorised by a Regulator to provide their services. In the UK, the Financial Conduct Authority's register (available at <https://register.fca.org.uk/>) will tell you whether a company is authorised. You must provide your explicit consent or share your Myaccount credentials with the Authorised Account Information Service Provider each time an access to your Account is required for them to provide you with their services. You should always consider the implications of sharing your Myaccount credentials and your personal information.

2.5 If an Authorised Account Information Service Provider request access to your Account to provide you with their services using your Myaccount credentials, we will assume that you have given consent to do so. Please note we are

obliged to provide access to your Account if it is requested by an Authorised Account Information Service Provider and can only refuse access in certain circumstances.

2.6 If we refuse to provide access to an Authorised Account Information Services Provider to your Account, we will inform you immediately after refusal to explain why, unless that would break the law or we have security reasons not to do so.

2.7 If you do not wish to use services provided by an Authorised Account Information Service Provider on your Account, you simply refuse to provide your consent or refuse to share your Myaccount credentials with an Authorised Account Information Service Provider.

3. PURCHASE AND ACTIVATION

3.1 Cards may be purchased via the Website or you may be issued with a Card through a third party organisation.

3.2 You need to activate your Gift Card when you receive it in order to use your Card. Please follow the instructions supplied with your Card or visit the Leisure Vouchers website

3.3 Your Gift Card can be used to make purchases from participating Merchants. A list of participating Merchants can be found on the Leisure Vouchers website.

3.4 You cannot withdraw cash at ATMs or get cash-back at a Merchant with your Gift Card.

3.5 Your Gift Card can be reloaded.

3.6 You can purchase up to a total value of £130 of Gift Cards at any one time. Please keep your receipt as proof of purchase.

3.7 We recommend that you register your Gift Card and your details on the Leisure Vouchers Website so that if your Gift Card is lost or stolen, you can report it and have the Gift Card blocked and so we can provide you with any changes we make to this Agreement. If you wish to use your Gift Card to make purchases online, over the phone or by mail order you will need to register your details.

3.8 You will not receive a PIN number for your Gift Card.

3.9 We may require evidence of your identity and your residential address. We may ask you to provide some documentary evidence to prove this and we may carry out checks on you electronically.

4. USING YOUR GIFT CARD

4.1 Your Card can only be used for purchasing goods and services at participating Merchants, however, like any payment card we cannot guarantee that a retailer will accept the Gift Card. The list of participating Merchants and how they accept the Gift Card (in store, online or by phone) may change from time to time.

4.2 Your Gift Card can only be used up to the value of Available Balance on it. Present your Gift Card at the time of payment, and sign the receipt to authorise transactions. You can authorise online and over the phone purchases by providing the CVC Code.

4.3 As you use the Gift Card, the Available Balance will be reduced by the full amount of each purchase including taxes, charges and other fees, if applicable.

4.4 The Gift Card can be used to pay the full amount of the purchase and applicable taxes, if Available Balance on the Gift Card is sufficient. If the amount of Available Balance is not sufficient to complete the transaction, the transaction will be declined. Please be aware that you may not usually stop a transaction once it has been authorised. You will be responsible for all transactions where you authorise such transactions, regardless of the manner of such transaction.

4.5 We may refuse to execute a transaction if the transaction is unlawful, fraudulent, or you do not have sufficient Available Balance. If we refuse to execute a transaction, you can check the balance checker on the Leisure Vouchers website at <https://www.leisurevouchers.co.uk/balance-checker/> to ensure there was enough Available Balance to cover the transaction, or can ask us why we have not executed a transaction by contacting Customer Services. Unless the law prevents us, we will explain why and we will also tell you what you can do to correct any errors in the transaction.

4.6 When using the Gift Card at some Merchants please keep in mind that the Merchant may require you to have an Available Balance greater than the value of the transaction you wish to make. You will only be charged for the actual and final value of the transaction you make. For example:

- Hotels and rental cars - As Merchants may not be able to accurately predict how much your final bill will be, they may usually request an authorisation for funds greater than your final bill.
- Restaurants - You will need to have an Available Balance equivalent to the total cost of the meal plus 20%. This is to accommodate any service charge that could be added to your bill.
- Internet Merchants - Certain internet Merchant sites will, on registration or at checkout stage, send a request for payment authorisation to verify if you have sufficient Available Balance; this will temporarily impact your Available Balance. Also please bear in mind that many sites won't deduct payment until goods are dispatched so please be aware of these variances when checking your Available Balance and ensure that you always have sufficient Available Balance to cover your purchases.
- Offline purchases – If a Merchant cannot authorise your transaction online the transaction maybe declined. Examples include on-board purchases on ferries, trains and planes.

4.7 When you use the Gift Card, the Merchant should provide you with a receipt. Please check the receipt to verify the transaction amount. If the amount is incorrect, you should notify the Merchant to correct the error. If you have a problem with a purchase or a dispute with a Merchant, you must deal directly with the Merchant. Furthermore, any returns or exchanges will be governed by the policies of the Merchant and applicable law.

4.8 We may refuse to permit a transaction if:

- we suspect you are in breach of this Agreement; or
- we suspect fraudulent or illegal activity is taking place; or
- if you attempt to spend more than the Available Balance on your Gift Card.

4.9 Any returns and exchanges for goods purchased will be governed by the policy of the Merchant and applicable law. The Merchant may not apply a credit to your Gift Card and instead might issue its own note of credit for a refunded item.

4.10 If you dispute a transaction that has been processed on your Gift Card you should contact the retailer to resolve the dispute.

5. FOREIGN CURRENCY TRANSACTIONS

5.1 You cannot make any transaction in any other currency other than pounds sterling. If you make any transaction in any other currency other than pound sterling, your transaction will be declined.

9.2.1 before the expiry of your Gift Card;

9.2.2 before you terminate this Agreement prior to the Gift Card expiry.

9.2.3 more than 12 months after (a) your Gift Card expires, or (b) this Agreement is terminated, (as applicable).

9.3 You will be reminded of this fee before redemption. Please note that if your Available Balance is £10.00 or less and you want to redeem in the circumstances listed above, the fee will equal your Available Balance which will be reduced to zero.

9.4 You may redeem funds subject to the provisions described above as long as we believe you have not acted fraudulently; and we are not prohibited from doing so by any applicable law, regulation, court order or instruction or guidance of a competent regulatory authority or agency.

9.5 Please note that you will be required to return your Gift Card to us (cut in half through the magnetic strip) together with proof of purchase of the Gift Card. We will redeem the value on your Gift Card by BACS no later than 5 Working Days from obtaining any verification of your identity (as may be required).

10. LOST OR STOLEN GIFT CARDS

10.1 The Gift Card is like cash, should you lose the Gift Card or it is stolen it is like losing cash unless you have registered the Gift Card on the Leisure Voucher Website and contact Customer Services immediately.

13.2 In the event of suspected or actual fraud or security threat to your Gift Card, we may use SMS, telephone, post, email or another secure procedure to contact you. We may ask you to verify your identity for security purposes.

14. UNAUTHORISED AND INCORRECT TRANSACTIONS

14.1 If you have reason to believe that any of the transactions for which your Gift Card was used are unauthorised or have been posted to your Gift Card in error, you may ask us to investigate the transaction by contacting Customer Services as soon as possible, but in any event within 13 months of the date of the relevant transaction. Please be aware that any delay in notifying us makes it more difficult for us to obtain evidence as to whether the transaction was authorised and may therefore increase the time involved in investigating the transaction.

14.2 If you report unauthorised transaction to us:

14.2.1 we will by the end of the next Working Day refund the unauthorised amount including any fees to your Gift Card to the position it would have been in if the unauthorised transaction had not taken place.

14.2.2 We are not obliged to refund the unauthorised sums to you if we have reason to believe that you have acted fraudulently, and we may notify the police or any other authority permitted by law. If we don't provide a refund by the end of the next Working Day but subsequently confirm that the transaction was unauthorised, we will refund the unauthorised sums to you straight away.

14.2.3 We will have no further liability to you once we have refunded the unauthorised sums to you. If we subsequently discover that you were not entitled to a refund, we shall treat the refund as a mistake and be entitled to reapply the transaction, including any fees, to your Gift Card.

14.2.4 You will be liable for all unauthorised transactions made using your Gift Card if you have acted fraudulently or deliberately or with gross negligence failed to keep your Gift Card or Gift Card security information safe in accordance with this Agreement, or where you have failed to notify us without undue delay on becoming aware that your Gift Card or security information related to your Gift Card has been lost or stolen.

14.2.5 You will not be liable for unauthorised transactions on your Gift Card after you have told us that your Gift Card or Gift Card security information has been lost, stolen or compromised.

14.3 Where you have agreed that another person in the EEA can take a payment from your Gift Card (e.g. if you have given your Gift Card details to a Merchant for the purpose of making a payment for renting a car or booking a hotel room) you can ask us to refund a payment, which we will refund to you within 10 Working Days of our receipt of your request, if all the following conditions are satisfied:

14.3.1 the authorisation you gave did not specify the exact amount to be paid;

14.3.2 the amount that has been charged to your Gift Card was more than you could reasonably have expected to pay based on the circumstances including previous spending patterns; and

14.3.3 you make the refund request within eight weeks of the date when the payment was charged to your Gift Card.

14.4 We may ask you to provide information as is reasonably necessary to verify that conditions in 14.3.1 – 14.3.3 are satisfied.

14.5 If you ask us to make a refund under paragraph 14.3 then, within 10 Working Days of the date we receive your request (or if we ask for more information under paragraph 14.4, within 10 Working Days of the date we receive that information) we will either:

14.5.1 refund the payment in full; or

14.5.2 tell you the reasons why we do not agree to the refund.

14.6 You will not be entitled to a refund under paragraph 14.3 if:

14.6.1 you have given us your consent for the payment to be made; and

14.6.2 where applicable we (or the person or a Merchant you agreed to pay) have given you information on the payment in question at least four weeks before the due date of the payment; or

If we make any changes, we will provide you with 2 months prior notice by email (provided you have registered your Gift Card and you have provided us with an up-to-date email address) and will ensure the most recent version is always available on Leisure Vouchers Website. If you have not registered your Gift Card or you have not provided us with your up-to-date email address you will not receive any notification of changes we make to this Agreement. You will be deemed to have accepted the changes by continuing to use your Gift Card after the 2 months' notice period. You may terminate your Gift Card any time within the 2 months' notice period if you do not agree with the changes to the Agreement and subject to paragraph 9 you can redeem your total Available Balance at that time.

15.2 There are some situations where we can make changes to this Agreement and we do not have to tell you in advance. These are changes you probably expect because of the nature of the product or service, or that you won't mind about because they are favourable to you. We do not have to tell you personally in advance when any of the following happen:

15.2.1 If the change is in your favour, if we reduce your charges, if we make this Agreement fairer to you, or if we introduce a new service or feature from which you can benefit.

16.2 We may suspend your Gift Card in any legal jurisdiction at any time with immediate effect (and until any default has been remedied or this Agreement terminates) if:

16.2.1 we discover that any information that you have provided to us when registering your Gift Card online was incorrect;

16.2.2 a transaction has been declined because of a lack of Available Balance;

16.2.3 you have reported your Gift Card lost or stolen;

16.2.4 we believe that this is necessary for security reasons;

16.3 In the event that we do suspend or cancel your Gift Card then (provided we have your contact details) if we are able to do so we will tell you in advance otherwise we will let you know immediately afterwards. We may advise any party involved in the transaction if a suspension has taken place.

16.4 The purchaser of a Card via the Website is entitled to a 14 day 'Cooling-Off Period'. The Card should be returned to Customer Services unused with your original sales receipt and a full refund will be made (less the postage fee) to the card used to purchase the Card. This will not entitle you to a refund of any Card Transactions made up to the date you notify us of your cancellation. In order to allow any outstanding Card Transactions to clear, we will refund the balance to you, minus any fees within seven Business Days of such a request. Any refund will be provided subject to paragraph 9.

16.5 If you received this Gift Card from a corporation/business (including a third party), we reserve the right to notify the corporation/business of the redemption request.
